Winter Guard Rules & Regulations

Updated Summer 2020
M. Mills – VP of Winter Activities

WGI Rules

As a WGI Circuit Partner, NCBA follows the WGI Color Guard Ensemble Rules and utilizes the WGI adjudication sheets. For your convenience, the WGI Color Guard Ensemble rules are linked [here](#), and the WGI adjudication sheets are linked [here](#). Please take the time to familiarize yourself with these documents. For a more detailed overview of the WGI system, it may be helpful for you to review the WGI Adjudicator Manual which is linked [here](#).

Please note: All students that attend a school which competes in NCBA should participate in their school's competing ensemble and are strongly discouraged from leaving their school to join an independent ensemble.

Old NCBA Classifications	MS Novice	MS Advanced	MS Scholastic	<i>For example, if a middle school is more competitive in Regional A, they can elect to move up to that class.</i>

3. Units can choose to perform in Exhibition Only.

- a. Units that choose to perform in Exhibition Only will place themselves in the class they feel is most appropriate.

- c. There will be no minimum performance time or authorized equipment time penalties for groups that perform in Exhibition Only; however, units that perform in Exhibition Only will be required to adhere to the internal time and maximum performance time.

4. At the beginning of each season, performing units will select the classification in which they wish to compete in. Judges – in consultation with the VP of Winter Activities, Head Judge, and Color Guard Committee – may recommend that unit be moved up or down. The VP of Winter Activities will make the final decision.

- a. Performing units will be classified based on the Class Descriptions.
- b. A performing unit will be required to move up divisions if the VP of Winter Activities determines they should move up.
- c. A performing unit can make the decision to stay in a higher division even if VP of Winter Activities determines they should move to a lower division.

- d. The second weekend in March will be the final weekend for classification changes to be recommended to the VP of Winter Activities.
 - i. The exception to this rule would be if a performing unit competes for the first time after the second weekend in March. In that instance, if the performing unit is scheduled to attend additional shows, they can be recommended moved up or down if it is deemed necessary.
5. Performing units can appeal a recommendation to move divisions in writing to the Color Guard Committee. The Color Guard Committee – in consultation with the VP of Winter Activities, Chief Judge from the contest, and judges from the contest – will make a decision after reviewing the show. WAIVING A RULE IN EXTREME CIRCUMSTANCES

1. In extreme circumstances, any rule can be waived with approval from the VP of Winter Activities, the Head Judge, and an additional Board member.

Due to the lack of consistency that existed between penalty sheets, rules posted online, and rules carried by head judges, there was a need to update the Official Rules and Regulations which govern NCBA's Winter Activities.

This version of the NCBA Winterguard Rules and Regulations was updated by Marcus Mills – VP of Winter Activities.

The updated Rules and Regulations were approved by the NCBA Board of Directors on August 27, 2016.
