

NCBA WG CHAMPIONSHIP

Lincoln High School. Stockton, California

April 2, 2022

Dear Director, special arrangements have been made for Musical Images to come to the "NCBA Winterguard Championships" and photograph all participating groups.

*Each Director will receive (2) FREE Photograph 8"x12" of their group.

Our services are provided to add to the dynamics of your festival and to create lasting memories for band members. Pictures will be taken in a manner that will not interfere with the days' activities, but we ask that you inform your members of this opportunity so that they can prepare for their photo and look their very best.

Two photos are taken of each group, one "formal" shot and one "fun" shot. The price is \$25.00 per photo, payable by check, cash or credit card. The photos will be printed and available for purchase right after they have been taken. No waiting period and the directors will not have to pass out pictures.

If an order is received after the festival, the charge will be \$25.00 per picture plus \$5.00 postage and handling. The photos will be mailed to the student's home address.

*SPECIAL GROUP ORDER FORM

If a "Group Order" is placed at the time the picture is taken and paid by cash, check or credit card, the following savings are available:

Musical Images looks forward to serving you. We are confident that our photographer will be able to capture that one picture of your group which will be "cherished forever"
